Copy of letter G.No.678-51-G1 dated 6-10-1952 of the District Medical Officer, Coimbatore to the Director of Medical Services, Madras.

Ref: Government Memo.No.41696-H-51-1 d/19-9-52 copy communicated in your In.P.No.103 W -51 dated 29-9-52.

At present the two women nurses attached to the Government Hl. Kollegal are put up in two private quarters taken on lease on a monthly rental of Rs.20/- pach. The sanction for the renewal of the lease accorded in P.No.79-N-51 dated 2-4-51 will expire on 21-2-54.

I have no objection to the continuance of the present arrangement until the finances of the state improve.

The Director of Medical Services issued the following instructions in his Ref.82938-1-M dated 15-12-1944:-

The Government in their order No.Ms.3195 P.H. d/16-11-44 have accepted the principle suggested by the Director of Medical Services that members of the Nursing staff should be provided with uptodate quarters. The District Medical Officers and Superintendents are therefore requested to submit comprehensive proposals with rough plans and estimates to construct new quarters, where there are no Government quarters at present.

I may state here that here are no Government quarters for Nurses at any other Taluk Headquarters Hospital also. Leased quarters have been provided for them at all these stations. As land was procured at Kollegal for the construction of quarters for the Nurses plans and estimates were accordingly called for by the Director of Medical Services vide his Ref.No.180748-A 2-50 dated 1-12-50 . Necessary plans and estimates were obtained and forwarded for sanction. Similar proposals in respect of other hospitals will be submitted when an opportunity arises, and if required.

The construction of quarters for nurses in the Government Hl., Kollegal could not be included in the three programmes of improvements to Taluk Headquarters Hospitals as the sanction for the transfer of 30 cents of land was issued only in October 1950 after the proposals for improvements to Taluk Headquarters Hospitals were submitted viz. in October 1948.

P.T.O.

14

As regards the provision of a sum of Rs.500/- in the estimates towards the cost of land, the Executive Engineer has been requested to clarify the matter in as much as the Collector of Coimbatore in his letter Ref.No.421-50-A5 dated 4-3-50 has already stated that no cost will have to be paid for the land allotted whose value has been estimated to be Rs.3855/-

The plan and estimates are herewith retransmitted.
